NYU has built on this boundaryless foundation to become the largest independent research university in the United States, and one of the most influential institutions of higher learning in the world.

When you return to your [REDACTED] page, you will see a checklist of next steps for admitted students, including how to accept your offer of admission, and how to view your financial aid award, if you applied for aid. You must accept your offer of admission by March 1, 2023.
